Special Primary Election  
Edition

## CHAIRMAN'S FOXHOLE

What are you voting for? Some people say, "I just think **Donald Trump is too rude**, mean tweets, bombastic, not presidential, etc."

Remember Barack Obama acted presidential but he also said that he wanted to fundamentally change America. That means that he did not like the America that you and I grew up in, so he set out to change it. I believe that Joe Biden and Kamala Harris are carrying out those wishes and are fundamentally changing America.

Think back to Trump. No new wars. ISIS destroyed. Iran had no money to support HAMAS. The Middle East Peace accords. Lower groceries, gas, utilities, restaurant, interest rates, etc. NATO countries were starting to pay their financial obligations and not just America supporting them etc.

When you consider voting for Trump, you are not sending him a valentine saying: won't you be mine. You do not have to invite him to your birthday party. You do not have to invite him to your wedding or hang out with him. You are electing Donald Trump and other Republicans to get this country back on track. Lower prices and stop the criminal illegal immigration, drugs, high national debt, etc. **It is not personal, it is business**

Some people say, "**But the Schmidt family** is so wonderful, hardworking, give to the church, to the community etc." This election is not about the Schmidt family: it is all about Peter Schmidt and why we do not support Peter,

It is not about Peter's past criminal record: now it is about Peter's legislative record. Peter authored a bill allowing abortion up until 9 months. Peter supports solar farms on good agriculture farm land and bragged about it on the radio. Peter supports allowing the public to drive vehicles on private property managed forest land.

We support Elijah Behnke. Elijah has been elected twice. Elijah does not support any of this legislation that Peter supports. Elijah introduced pro-police legislation and Peter did not support any pro-police legislation. I wonder why? Elijah has a wonderful family. Character matters in this election. Vote for and support Elijah Behnke for the 6<sup>th</sup> Assembly. **It is not personal, it is business.**

## André Jacque for Congress: The Proven Conservative Fighter

The support and encouragement has been truly phenomenal throughout our grassroots campaign to take back Washington DC from the Swamp and put our families in Northeast Wisconsin first.

Our next Congressman will take office right after the election and begin casting votes immediately on important issues. I am ready to hit the ground running on Day One in our nation's Capital to work with President Trump to Make America Great Again! I will take with me a proven record of conservative results: fighting for innocent life, protecting the Second Amendment, and supporting our Veterans and Law Enforcement.

I am proud to be the only candidate in this race endorsed by Pro Life Wisconsin, the only candidate with an "A" Rating from Gun Owners of America, and the candidate endorsed by Shawano County Sheriff George Lenzner, former Shawano

County Sheriff Adam Bieber, the Wisconsin Professional Police Association and countless other law enforcement professionals.

As a former Legislator of the Year for the Wisconsin American Legion and Wisconsin VFW, I will never let down the men and women who have sacrificed so much for our freedom.

Anyone can promise you what you want to hear before an election; it's critical we elect people who mean what they say and have the record to back it up.

The August 13th primary is right around the corner. I deeply appreciate with all my heart the faith and encouragement shown to me over the years, and I would be honored to be your voice for Wisconsin's 8<sup>th</sup> District in the United States Congress.

Please visit my website at [www.Jacque4Wi.com](http://www.Jacque4Wi.com) or reach out to me directly at [andre.jacque@gmail.com](mailto:andre.jacque@gmail.com) or 920-819-8066. I'd be honored to have you on the team and look forward to earning your vote August 13th!

After being shot, Trump said to **Fight!! Fight!! Fight !!** = What is your reason for sitting on the sidelines?? Join us and **Fight!! Fight!! Fight !!** Membership form attached.

# 1ST ANNUAL GUN SHOW

We will be hosting our first ever gun show. We are hoping that this becomes an annual event generating lots of money. Lowell is the organizer. With assistance from Ginny Jesse, Bruce Milavitz, Jeff Brunson, Tom Smith, Tom Oster, John Kriewaldt, John Krizan, Dick Olson and many others.

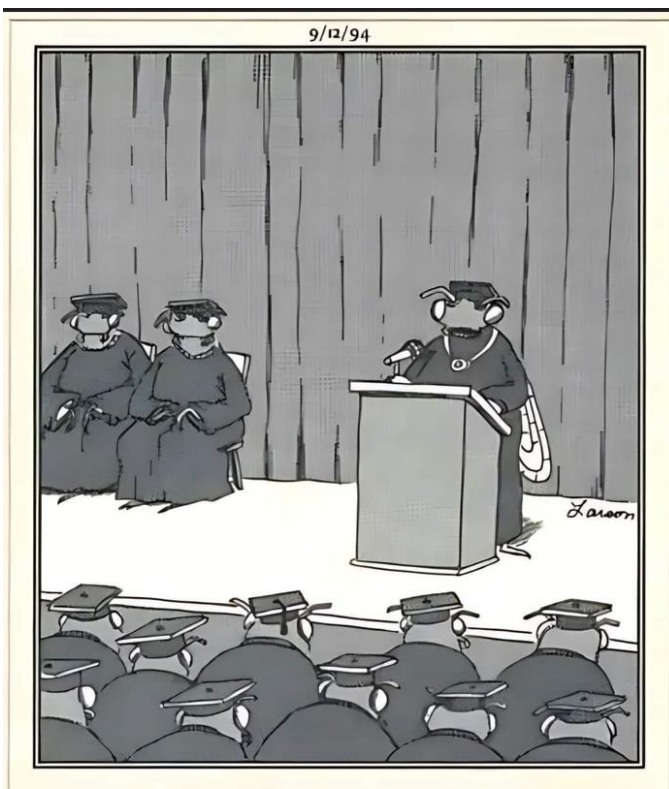

Jeff got permission from the owner of the building to clean out the back room and organize it better. Now we have a very large clean back room so if you can think of any other ideas to draw a crowd using the back room, please do share them. Someone suggested a home and garden show.

Anyway, the Gun Show will be August 2<sup>nd</sup> and 3<sup>rd</sup>, at the HQ 712 E. Green Bay St Shawano. Besides the gun show the Shawano Area Republican Women will serve food plus the Republican Store will be open. The Republican Party of Wisconsin will be sending someone to register people to vote and even request a ballot if they wish.

You can see that we will **need many volunteers** to pull this off. So, if you can work a few hours on either or both days, contact Lowell (715-853-9405), Rich or stop in at the headquarters and let someone know.

Thank you everyone

## WISCONSIN'S CICADA CANDIDATE

“And so, as you enter the adult phase of your life, you will thank God that these past 17 years of being stuck in the ground and unable to move are finally over. ... Congratulations, cicadas of '94!”

We all know what the cicada insect is. Cicadas emerge after living under ground and are best known for making a loud noise which can be heard as far away as a mile.

This is a great description of Wisconsin's own Tammy Baldwin. She is the Cicada candidate. Wisconsin hears very little from her for 5 ½ years, then she emerges from either her partner's apartment in New York, or her apartment in Washington DC, to make lots of noise in Wisconsin. Unlike the Cicada, Tammy can be heard throughout the state of Wisconsin. RE-ELECT ME! RE-ELECT ME! RE-ELECT ME!

Eric Hovde was at our HQ for a P&P and met and spoke to everyone who came through the door. Then he took questions for an hour. I have spent time with him and his wife. Great people. Eric started his first charity at 28 years old. Tammy has never had a non-government job and started zero charities. Plus, the CICADA candidate has only gotten 7 pieces of legislation passed in her career and two of those was to rename post offices.

It is time to get rid of the Cicada candidate and get a real representative. Vote for and support Eric Hovde.

# ERIC HOVDE FOR U.S. SENATE

Hello all,

**My name is Eric Hovde**, and I'm running to represent our great state in the U.S. Senate.

I am a 4th generation Wisconsinite, born and raised in Madison. I graduated from Madison East High School and went on to become a proud UW-Madison Badger. My wife, Sharon, and I have been married for 26 years and live in

Madison. I am a lifelong entrepreneur. I have made a career out of rolling up my sleeves, getting businesses back on the right track, and building for the future.

Since launching my campaign last February, I have had the incredible opportunity to travel to this great state. I look forward to taking my first campaign R.V. tour across the state next week, visiting 30 counties. So far, I've heard from many Wisconsinites about how far the American Dream is slipping away. I'm running for Senate to restore that dream that I and so many others were blessed to have the opportunity to pursue. I am deeply concerned with our country's economic situation – President Biden and Senator Baldwin's reckless spending in Washington has fueled a debt crisis and crushing inflation. Unlike President Biden and Senator Baldwin, I believe in prioritizing the restoration of our country's security by securing our border and supporting law enforcement in our communities.

Above all, I believe that we will find strength in unity. We must come together to find common-sense solutions to Wisconsinites' everyday problems, reject the division being sown in our country, and work to restore America.

Please visit [erichovde.com](http://erichovde.com) to join the team and volunteer, follow our social media pages, contribute to the campaign, or learn more about my message and vision. It'll take every last one of us working together to flip this seat red! Don't hesitate to reach out to the campaign staff at [team@erichovde.com](mailto:team@erichovde.com) with any questions.

## ELIJAH BEHNKE CANDIDATE 6<sup>TH</sup> ASSEMBLY DISTRICT

Hello District 6! My name is Elijah Behnke, and I am running to serve you! I have been in office serving the people of Wisconsin for the past 3 years. Additionally, I am a small business owner and we have a small hobby farm.

Last fall, my wife Ashley and I decided to sell our home after losing our barn in a storm. We started getting our home and property ready to sell, and we are currently looking for a home in the Chase or Pulaski area, which is the East side of the District.

My wife and I just celebrated 12 years of marriage. We have two beautiful daughters ages 10 and 4. Faith and Family are of utmost importance to me.

While serving in Madison, I have always voted Pro-Life and Pro-Police. I have also always voted to protect children, including keeping biological males out of female sports. This past year I helped stop a solar farm project in the town of Morgan.

I hope to continue to be able to serve you as your next State Representative. Feel free to reach out to me if you have any questions and please vote August 13th! [920-288-7809](tel:920-288-7809)

### DEBATE TRUMP VS BIDEN DEBATE

Connie and I watched the debate. We thought Biden did better than we expected. Actually, pretty good. We were not shocked by his cognitive decline.

Why was our reaction so different than the Main Stream Media? Different than so many Liberals and Democrats? Because we exposed ourselves to the truth.

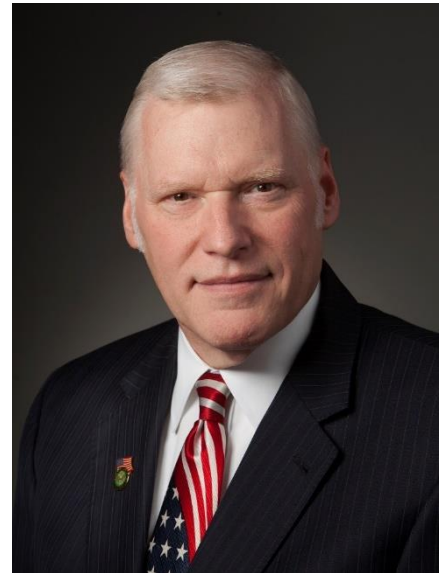

If you are listening/reading exclusively to CNN, MSNBC, ABC, NBC, CBS, NY Times, Washington Post, Appleton Post Crescent, Green Bay Press Gazette or the Shawano Leader you were not aware of how deteriorated Biden is or has become mentally. But did you/we get to evaluate Biden in 2020? He never came out to do rallies but remained in his basement because of COVID. How often does Biden hold press conferences? How about Biden answering questions to and from Marine One? How often does Biden answer questions after a press conference? Biden has been hidden for a long time and propped up by those media outlets. What else have those news sources kept hidden from you? What other false information do those sources put out for us/you to believe?

We have not had FOX news for over 4 years. We listen to NEWSMAX, BBC and other international news sources. I subscribe to and read about 20 different written news sources. I learned this technique from the elders in the village in Iraq. Please take the time to get information from sources that are not Gannett News sources and other controlled Main Stream Media.

# District Attorney Greg Parker

## **Mission - Protect Citizens:**

Thank you for the privilege to serve as your District Attorney for the last 17 and half years. We live in extremely troubled and dangerous times. The drug culture in our community has increased dramatically over the last four to five years. We have had more over dose deaths in the past two to three years than since I've been DA. Violent crimes continue to increase in our area. Drunk drivers continue to endanger the safety of our citizens. The law abiding citizen would be surprised at how much criminal activity is happening in our community. You deserve to have an experienced District Attorney whose mission is to hold criminals responsible for the crimes they commit in our community. As your District Attorney I have always strived to carry out my mission to protect our citizens from criminals who victimize them. I will continue to be tough on crime and at the same time administer justice fairly and impartially. *Holding criminals accountable is in the best interests of our community and it is necessary to have good order in society.*

## **Tough on Crime, Experienced Prosecutor & Advocate for Victims**

### **Promises:**

When I was elected District Attorney I promised you that I would relentlessly pursue and prosecute sexual predators, sex offenders, repeat felony drunk drivers and drug dealers. I have kept these promises over the last seventeen and a half years and will continue to do so in the future.

### **High Prosecution Rate of Sex offender Registry Violators, Traveler case - Sex Predators and Child Pornographers.**

Sex offenders are required by law to report where they are living and meeting with law enforcement annually to update their information. Prosecuting sex offender registry violators is extremely important because we have to know where they are living at all times. With the proliferation of internet use by criminals in many areas, crimes that remain widespread are the criminals committing sexual related offenses. I am a member of the Internet Crimes against Children (ICAC) task force. Many years ago I trained to aggressively prosecute sexual predators that use the internet to victimize our children. The ICAC mission is to aggressively pursue child pornographers and sex predators who come to Shawano County to victimize our children. I have successfully prosecuted over 200 sex offender registry violators, sexual predator - "Traveler case" violators and child pornographers. I have obtained some of the longest prison sentences for child pornographers in Wisconsin. Recently the State Public Defender Office studied convictions of child pornographers and found that Shawano County has on average, longer prison sentences than most other counties in the State. In the last 11 years, 62 sex predators came to Shawano expecting to have sex with children. All 62 were arrested by Shawano Sheriff Department. All of the 62 predators were convicted.

**Repeat Felony Drunk Drivers** - During the last seventeen and half years my office has prosecuted over 3,000 drunk drivers. I have successfully prosecuted numerous drunk and

drugged drivers, with more than 300 of them being repeat felony drunk drivers. These convictions include 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup> and 9<sup>th</sup> offense drunk drivers.

**Drug Dealers** – I have prosecuted over 200 drug dealers who were dealing dangerous drugs in our community. I am the first prosecutor in the history of Shawano County to successfully prosecute multiple defendants all at the same time for conspiracy to deliver drugs in our community. My office and I continue to pursue drug dealers who deliver dangerous drugs - fentanyl, meth, cocaine and heroin. We have had more overdose deaths in the past three years than in all the time that I have been DA. The epidemic of lethal drug use by individuals continues to increase given the frequency of the death cases we're having in our community.

**Treatment Court – Shawano County Drug Court:** Almost six years ago, social services, Judge Kussel, probation office, me and treatment providers organized the Shawano County Drug Court. Today the drug court is at full capacity. There have been thirteen graduates. This program continues to serve qualified individuals for treatment.

**Victims of Domestic Abuse** – Many years ago I worked with Safe-Haven domestic abuse shelter to establish a program to protect victims of domestic violence so that they know what resources are available to them within our court system. Victims of domestic abuse continue to have the ability to meet with domestic violence representatives to learn all of the resources available to them after being victimized by a perpetrator.

**Homicide Cases:** I have the necessary experience in prosecuting a variety of homicide cases. I have obtained convictions in many homicides cases including First Degree Intentional Homicide, Homicide by Intoxicated Use of Motor Vehicle, Homicide by Vehicle - Use of Controlled Substance, First Degree Reckless Homicide and drug related homicides.

**Future Promises:** Shawano County is a great place to raise a family and a safe place to live. The law enforcement officers that I work with in Shawano and Menominee Counties are second to none. As District Attorney I have been honored to be part of the team effort being carried out on a daily basis. I promise to continue to aggressively prosecute sex offenders, child sex predators and child pornographers. I promise to continue to be tough on drunk and drugged drivers and drug dealers in our community. Finally, I promise to continue to be strong advocate and supporter of victims of crime.

I will continue to keep our community safe for you and your family. I want to keep Shawano a great place for you to live and raise a family so I ask for your vote to continue the fight to keep our community safe for four more years. Thank you and God bless you.

## **BACKROOM CLEAN UP**

For those of you who come to the HQ regularly you are aware that we have a backroom. The backroom has been a catch all for extra items from the various stores in the strip mall that our HQ is a part of.

We cleaned the back room to make room for our 1<sup>st</sup> annual gun show 2 & 3 August. Dick Olson stopped by with brighter lights for the event. Jeff Brunson provided a dump trailer. Lowel Hammett provided two volunteers and building material.

We hauled out 2 tons of garbage. We arranged and moved all remaining items into the Western portion of the back room.

I have the people named in the photo, but Wayne Krueger left before the photo could be taken. I also failed to include the two workers that Lowel brought along. The gun show is our first venture. Now that we have the room, we can host other events or shows. Just need ideas.

Lowel Hammett is the lead for the 1<sup>st</sup> ever gun show. At last count we have 9 vendors and others are reaching out.

## CORY SILLARS CANDIDATE 87<sup>TH</sup> DISTRICT

Hello, I'm Cory Sillars. I'm 52 years old, I'm a father of two, my son will be a senior at Wausau West High school and my daughter is studying residential design at NTC. I am a lifelong resident of the village of Rib Mountain where I serve as a trustee since April of 2022 and I am a member of the Wausau school board since September of 2022. I took over operations of my family's construction business in July of 2012 and have been a carpenter/builder for over 30 years. In 2022 I was given the honor of serving as the President for the Wisconsin Builders Association.

It's too late for our country to simply talk like a republican while at the podium. It's time to consistently vote conservative. Not 80%, or 90% or even 95%. It has to be 100% as a conservative, just like the democrats vote 100% on their liberal issues.

Folks, I am not running to waste my time, and I am certainly not running to waste yours! If you're looking for a representative that will stand up for what is right and good in Central Wisconsin and have the backbone to fight for that every day in Madison, then I am your guy!

I will vote conservative 100% of the time. I will view every bill through the prism of spend less, tax less, and regulate less. And last, I will advocate for the use of every tool possible to obstruct the Left wing nut jobs. Defund, Impeach, whatever it takes, even if the republican votes aren't there to pass it. I will keep on pushing, to get all politicians on record of where they stand. Conservative voters, and really, all voters deserve no less.

# Roger Roth Candidate for Congress

## **BIDEN/HARRIS' CRISIS AT THE BORDER**

Under Joe Biden and Kamala Harris, almost 8 million illegal immigrants have entered our country. Hundreds of known terrorists have snuck across our southern border, illegal crossings continue to spike, and every state is now a border state.

It's why I traveled to our Southern border to see first-hand how this could be possible – and how this can be fixed. I met with local law enforcement tasked with catching smugglers on American soil who work with the Mexican cartels to traffic drugs and illegal immigrants.

Just last year, more than 1.1 billion doses of fentanyl were seized at the Southern border with countless more evading detection. These drugs are manufactured in China, are transported to

Mexico and smuggled through the Southern border, and eventually make their way to communities across Northeast Wisconsin.

Talk to any local law enforcement near the Southern border and they will tell you that it doesn't have to be this way. Joe Biden's passive posture keeps the Mexican cartels in charge. In fact, most undocumented immigrants don't approach our Southern border without the consent and approval of, and the payment to, the cartels. Smugglers north of the border -- on OUR soil -- coordinate with the cartel to receive illegal immigrants and disperse them across the country. In many cases, these smugglers swindle young men and women into sex trafficking rings.

An increase in fentanyl and sex trafficking, while border infrastructure gathers dust and rust. This is Joe Biden's legacy.

In Congress, I will finish the wall, fund our border agents and make clear that border security is national security. Vote on August 13 to make your voice heard and send a representative to Congress who will work to secure our Southern border.

## Tony Wied – the Trump-Endorsed Conservative for WI-08

As a total political outsider and the only candidate endorsed by President Donald Trump, I've been learning on the fly and taking the same approach I took to successfully building and operating businesses for three decades right here in Northeast Wisconsin - working hard, listening to the customers, and never giving up.

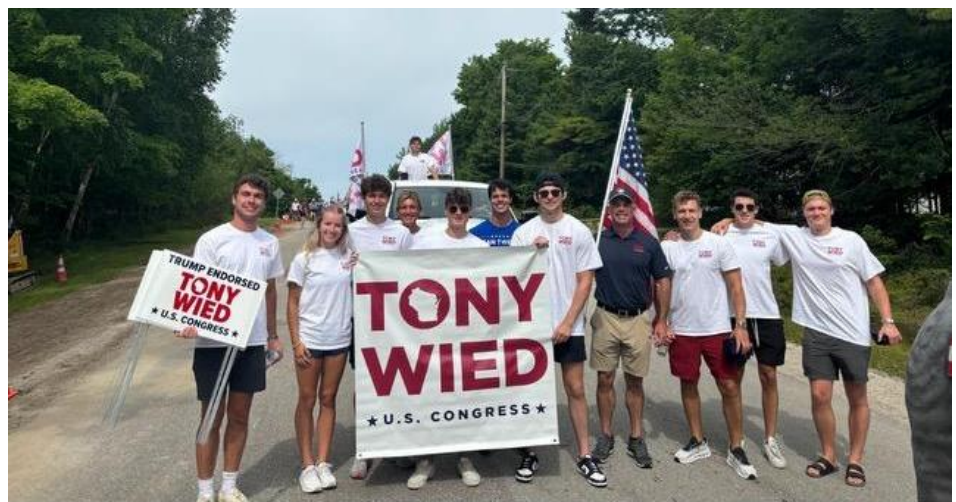

The results are promising - our campaign continues to build momentum throughout the district. My family and I are amazed at the outpouring of support and the fantastic people we continue to meet.

We are laser-focused on addressing voters' concerns, whether it's the disaster at our southern border or the economic mess our career politicians and Joe Biden have put us in. I plan to utilize my decades of private sector experience to go to Washington and fix these very serious problems.

On Day One, I plan to work with President Trump to finish the border wall, reestablish his Remain in Mexico policy, and provide our border enforcement officers with the resources they need. Regarding our out-of-control spending, I plan to take the same approach I used running convenience stores and gas stations—going through the budget line by line and working to find cost savings.

We will announce that we raised nearly \$1M in our first fundraising quarter, and we are now running TV advertisements throughout the district detailing my background as a job creator, problem-solver, and the only candidate endorsed by President Donald Trump.

I look forward to continuing to meet voters on the trail, hearing your concerns, and fighting to deliver an America First agenda. Please stop and say hello if you see me around, and go to my website to learn more: [www.tonywiedforcongress.com](http://www.tonywiedforcongress.com)! And don't forget to vote August 13th for the Trump-endorsed Conservative.
